British Journal of Educational Technology

INDEX

Volume 26: January–September 1995

This index is a combined list of authors (shown in **bold**), titles (shown in *italic*) and subjects of all articles and Colloquium contributions contained in Volume 26. Interspersed with these are the first-named authors/editors (**bold**), titles (*italic*) and main subjects of books reviewed (excluding those listed as 'Also received').

Entries cite page numbers only: the pagination of each issue was as follows:

Number 1 (January)	1–80
Number 2 (May)	81–160
Number 3 (September)	161–240
